Marine Band Plays Benefit Tonight

While Monterey Mayor Dan Searle proclaimed today "Marine Band Day" more than 1,000 students from Monterey Peninsula College, Monterey High School and Walter Colton Junior High were scheduled to attend the matinee performance today of the United States Marine Band at Fort Ord Soldier's Club here.

The band, foremost musical organization of its kind in the world, is to give a matinee performance at 2 p.m., and a concert at 8 p.m. Friday, under auspices of Monterey Kiwanis Club.

At the same time, although technically the Monterey School system does not include the cities of Carmel and Pacific Grove, Mayors of those cities, Horace Lyon and John Nelson, respectively, enthusiastically endorsed the appearance on the Monterey Peninsula of the Marine Band as a "rare opportunity" to hear "outstanding music."

According to School Superintendent Glenn T. Goodwill, all students at the college, with tickets to the matinee will be transported to the Soldier's Club in school buses.

Meanwhile, Commanding General Robert McClure at Fort Ord, has pledged complete cooperation of the entire Fort Ord staff during the outstanding musical events Friday.

Band to get Uniforms

"Proceeds from the Monterey Kiwanis Club sponsored Marine Band Concerts will buy band uniforms for Monterey Peninsula College," says Mr. Boyd Beall, chairman of the Kiwanis scholarship committee.

All the profits, according to Mr. Beall, will go to the Monterey School Board. From the total, $500 will be set aside for the annual scholarship that Kiwanis gives to a Monterey High School student. The rest, ("...we figure on about $1500," says Mr. Beall), will go towards the purchase of the band uniforms.

MPC students will be excused from 2 o'clock classes to attend the matinee concert.

Yearbook Pix to be Taken

Yearbook portraits are being taken at the Monterey Studio beginning October 9. Adella Brady and Pat Annand are handling the appointments for Watsonville and Santa Cruz students in the Student Union daily from 12 to 2 p.m.

Students from Watsonville and Santa Cruz are to have their pictures taken on either a Tuesday or a Thursday. Students from Monterey, Carmel and Pacific Grove are to have their pictures taken on a Monday, Wednesday or Friday between 7 p.m. and 10 p.m. They are to arrange appointments directly with the studio.

Girls should wear dark sweaters and pearls when they get their pictures taken. Freshmen boys should wear a white shirt and a v-neck sweater, preferably dark.

Robes will be furnished by the studio for the sophomores. The sophomore boys should wear white shirts and ties. The sophomore girls should bring pearls if they want some pictures taken without the robes.

Journalists Attend Conference

MPC's journalists and photographers will attend a fall journalism conference at Stanford next Saturday, Oct. 25.

The students will tour Stanford's radio and press facilities, attend a press banquet, and be guests at the Stanford-Washington game.

Planning to attend the conference are: Jane Lowrey, Kaca Granville, Kim McRae, Pat Annand, Mel Bowen, Oyar Kratins, and Mr. Huden.

Yearbook Underway

Tradition is being discarded by the yearbook staff in planning the annual for this year. A new type of book is planned to meet changing conditions.

An interesting feature of the book will be its presentation of school activities in chronological order. This makes it possible for the staff to keep the book up to date at all times and it will be unusual as well.

The official staff appointments have not been made yet. However, members of the staff are already busy on the job. Pat Annand and Adella Brady are handling picture appointments, Barbara Evans is in charge of literary material from the clubs, and Jane Lowrey is in charge of ordering and filing the photographs. Mel Bowen is handling the boys' sports. Art work for the book is being planned by Ken Skillicorn. Don Stalter, Bill Weeks, Jim Love, Oyar Kratins and Masakiyo are already busy getting pictures for the book. Mr. Huden is advising the staff in its planning.

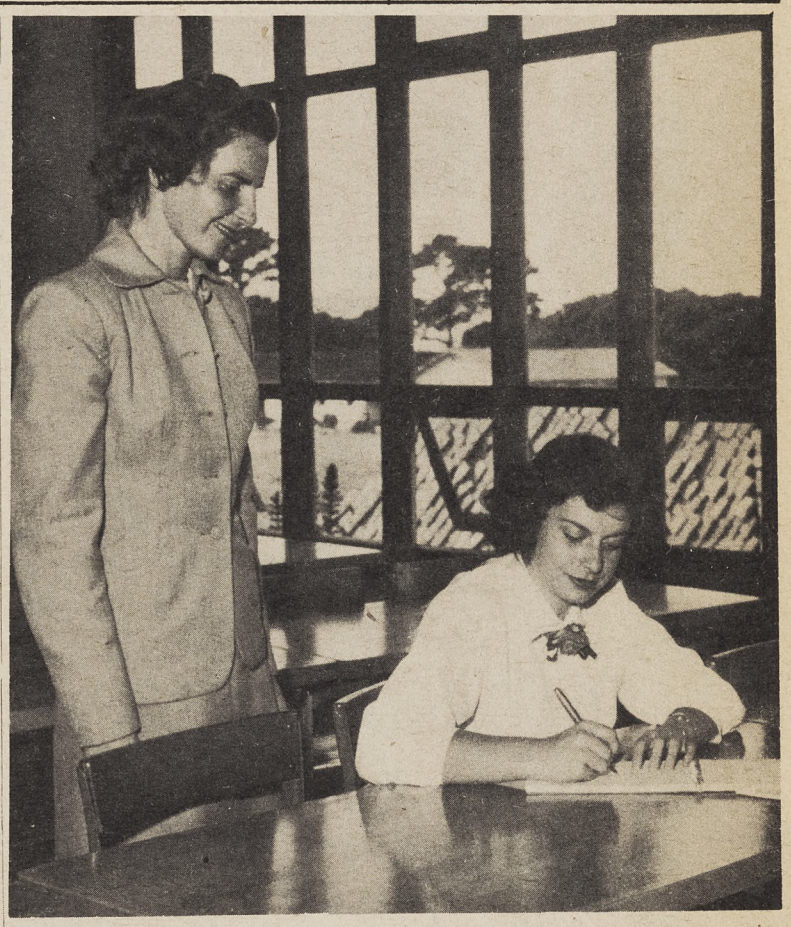

It's Getting Drafty

An assembly for boys was held last Friday to explain the various officer procurement programs offered by the armed services.

Lt. Cdr. Wheerler and Cdr. Dillon represented the Navy and Lt. Col. spoke for the Marines. They pointed out that all men are now subject to UMS, which requires them to serve two years of active duty and six years in the reserves.

The UNT, NROTC, ROC and NAV cadet programs were discussed. Opportunities for Annapolis were also explained, as well as the Marine Corp Platoon Leadership program.

Musically Yours

by Johnny Adams

This week on all the college campus we bring a new tune by one of the top vocalists of many years. Its JO STAFFORD'S Capitol recording of "YOU BELONG TO ME." As for the male vocalist, it's the boy who has been capturing the hearts of many, EDDIE FISHER and "WISH YOU WERE HERE." Instrumentally we'd like you to "MEET MR. CALLAGHAN." The combined talents of LES PAUL AND MARY FORD do the honors on Cap. records. Holding down second place very well we find PATTIE PAGE and "I WENT TO YOUR WEDDING." Watch this one. It's bound for first in the near future. For easy listening to be released soon, the young man with a horn, RAY ANTHONY AND THE ORCHESTRA, present a vocal duet by TOMMY MERCER AND MARCIE MILLER in a song called "BUNNY HOP." Ray Anthony has the orchestra wanted at all college dances today.

Colonel R. E. Anderson, newest instructor who has just joined the staff at MPC. Colonel Anderson, a graduate of West Point, is teaching trigonometry.

A disputable topic among literary figures is the English ability of journalists. In case it proves anything, John Mortenson, our Herald reporter, is getting along fine in English 51.

Salerno and Adams

MPC Students Local Disc Jockeys

by Barbara Elder

"You can't print the interview if I don't get twice as much space as Adams!! After all, who's important around here, him or me?" It sounds like a movie star bickering for top billing, doesn't it? Really, however, it's just one of the celebrities on our campus, KDON's "Dance Time" disc-jockey, Sam Salerno.

The "Adams" Sam referred to is none other than Johnny Adams, who airs his "Night Watch" six nights weekly on KMBY. "Night Watch" is a show devoted mainly to popular and progressive music. From 10:15 till 11 p.m., Monday through Saturday, Night Watch sends out everything from Tony Bennett to Stan Kenton, with emphasis on the new forms of music.

Salerno's "Dance Time," on KDON every night from 9:05 till 9:55 also leans toward the popular and semi-progressive. An experienced announcer, Sam has worked on such stations as San Jose's KLOK, KREO in Indio, KDAC in Fort Bragg, and Adams' home station KMBY.

Servicemen

Before going into radio work, both Johnny and Sam were in the service. Adams was in the air branch of the Navy four years as a flight engineer, while Salerno served a year and a half as a radio operator in the Army Air Force.

Aside from his current profession of disc-jockey and general announcer, Johnny plays the trumpet and has done dance band work. At present he has a private collection of over 1500 records, centered mainly around a variety of good progressive music. His favorites in that field include vocalists Sarah Vaughn and Billy Eckstine, and the bands of Woody Herman and the late Glenn Miller.

A music column, written by Adams, is carried in El Yanqui, beginning with last issue.

Interviewer

Aside from playing music of the "greats" in that field, Adams has interviewed such celebrities as fellow discer Jimmy Lyons and renowned bandleader Lionel Hampton.

Of his collection of 1000 records, Sam considers those by such artists as Perry Como, June Christy, and the orchestra of Ted Heath as his favorites.

For Adams, the future holds a job in television as soon as it's instituted at KMBY. If appearances are any indication, he should be one of the most telegenic of recent TV discers.

Both Sam and Johnny are at MPC for the same purpose — to supplement their respective radio backgrounds in the fields of journalism, speech, and music. Adams has been elected assistant conductor of the choir, while Salerno is chairman. They are both members of the Music Federation.

Newmans Elect

Jim Craig is the newly elected president of the Newman Club. president is Bud Brinkerhoff, and secretary-treasurer is Martha Stewart. Anita Risso is the social chairman.

What's an El Yanqui ?

When MPC first settled on its new campus, students were asked to submit suggestions for a name which would fit the proposed campus publication. A selection committee, composed of student body officers, editors, and the faculty advisor selected "El Yanqui" after many prolonged discussions. The reason, according to an early issue, was "that it sounded good, it was concise, unique, and recalled the romantic Peninsula history of a hundred or more years ago." For "Yanqui" (pronounced as in New York Yankee) was the name given early settlers from beyond the mountains to the east, the cowboy and the argonaut, by the Spanish-Indian inhabitants of the area, the "paisanos."

German Scholarship Student

Peter Frobenius, scholarship student from Germany, comes from Heidelberg. He has been in the United States only a month and two days. At the beginning of this semester, he stayed with Dr. Flint, and now he is living with Mr. and Mrs. Murray, of Pacific Grove.

When asked about the student-teacher relationship here in comparison to that in his country, he said, "The teachers are much closer to the students here. They are like friends. You can talk to them." He says that the atmosphere in the classes is different too. He is surprised at the lack of need for discipline, with such free and easy classes.

In commenting on the difference between America and other countries many people point out the "rush-rush" of American life. Peter thinks that in Germany there is much more of a hurried atmosphere than here.

"The biggest difference between young people here and those in Europe," says Peter, "is their attitude." Young folks in America seem to have a more happy-go-lucky, live-for-today air. In Europe, probably because they have experienced so much, they worry more about the world situation and seem closer to current events than college students here.

Peter Frobenius

Peter was surprised at the number of people in general and students in particular who own cars. "The number is comparable to the number of students in Germany who own bicycles," says Peter.

Next summer he would like to go camping and to see more of the United States. Peter is an active member of the International Club.

International Club

A gala pot-luck supper is being planned for Thursday, October 23. The head of the committee is Dioscoro Canonigo. Mavis Boyd is in charge of entertainment. Adrian de la Roza is taking care of the food and Kaca Granville and Peter Frobenius are doing the decorations.

The Monterey Peninsula College Stadium was the scene of the Elks' Championship drills at the recent state convention.

According to previous game results, El Lobo should have a gay time with the Saracens tomorrow night.

Bulletin

"The Keg," traditional trophy of the MPC-Hartnell game which was purloined from the trophy case at Hartnell nearly a year ago, was returned Tuesday night to Mr. Flint's porch (Mr. Flint alleges).

Adrian de la Rosa, president of the student body, and a delegation of students went to Hartnell Wednesday to return the keg to its rightful place.

Following the Hartnell game in Salinas Thanksgiving day a presentation of the keg will be made to the coach of the victorious team. See picture on page 4.

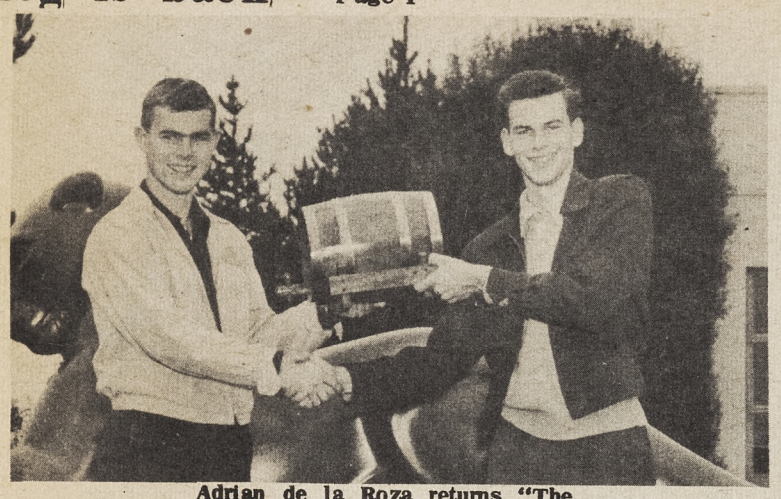

"I've Given Blood Before!"

This unposed locker room shot by Oyar Kratins is one of the best in MPC history. The Lobos were trailing Marin 19-0 at the half. Whatever it was coach Jim Tidwell said to his dejected warriors stirred them to a second half splurge of four touchdowns and a 27-19 win.

Lobos In Traditional Clash With Grant Saracens

winless tech shall try to be the lobos spoilers

Trying to start a new win streak, the MPC Lobos will tackle the Grant Tech Saracens tomorrow night in the College Stadium. Not too much is known about the Saracens, except that they have lost four consecutive games.

Grant has lost to East Contra Costa 33-12, Sacramento 25-6, Yuba 14-0, Napa 16-7.

Grant leads in previous games played with the Lobos two to one. Here are the previous scores:

1948 Grant 19, MPC 0
1949 Grant 0, MPC 26
1950 - No Game
1951 Grant 14, MPC 13

The Lobos will be out to avenge both the stunning defeat at the hands of Cal Poly JVs, 7-6 and last years defeat at the hands of Grant by one point.

Because Grant has not yet won a game, they will be especially high for the contest tomorrow night.

MPC's coach Jim Tidwell will probably go along with his usual starting offensive line-up. The line-up is as follows:

LE - Tom Haine
LT - Dennis Magnuson
LG - Bruce Lindburg
C - Rei Yoshinobu
RG - Bill Daniels
RT - Wil Stensland
RE - Roy Ordonez
QB - Larry Segovia
LHB - Tom Enea
RHB - Fred Delgadillo
FB - Dale Hill

Menlo Next

One week from tomorrow night the Lobos will make their second bid for the conference title. Last year's conference champs, the Menlo Oaks, will be the local's opponent.

Last year the power of the Oaks was too great for the Lobos as MPC was subdued, 46-27.

Thus far this year Menlo has downed San Francisco City College, 26-12 and lost to Fresno JC, 19-14.

Under The Showers

Comparative Scores Mean Nothing

The football game against Marin proved at least one thing to MPC. That was that comparative scores mean nothing. If you recall, the Lobos beat Napa 20-0. In turn, Napa downed the College of Marin, 20-7. That meant that MPC should have trounced the Tars by 33 points.

Just in case you didn't hear the Tars led 19-0 at the half and the Lobos came back to win 27-19.

Hartnell Wins Again

A 97 yard run by halfback Bob Scofield paced the way for Hartnell to gain a 26-12 victory over Riverside Junior College. That win for Hartnell was their fourth straight this season. So far Hartnell has tallied 117 points for an average of 29.25 per game. Their opponents have scored a mere twenty-five points for an average of 6.25 points per contest.

MPC has averaged 21.5 points per game by scoring 86 points in four frays. On defense the Lobos are almost even with the Panthers. Our opponents have tallied 26 points for an average of 6.5 per game.

The Scoring Program

Name	TDs.	T.Pts.
Tom Enea	5	30
Larry Segovia	2	20
Fred Delgadillo	2	12
Dale Hill	2	12
Terrell Moss	1	6
Bill Goldman	1	6

Hogans Buy Robes

The Hogans have decided to buy twenty-five more robes for the school choir. Last year the Hogans bought sixty, but many new members have signed up. Eventually the choir will need a hundred robes.

Nine boys have been voted into the Hogans in the last two weeks. They are: Gene Bailey, Dick Brownlee, Frank Johnson, Ed Lee, Herman Mindo, Bill Niebling, Ken Skillicorn, Ken Titus and Jon Van Niel.

LOBO SPORTS

Basketball

Coach Don Borden was greeted a week ago last Monday by 23 promising basketball players. Among the 23 was Charles Shinaut, a first string man from last year. Another veteran from the 1952 team was Pete Contino.

Three boys from the football team played for the Lobo cagers last year and expect to join the basketball team as soon as the football season is complete. They are: Tom Haine, Larry Segovia, and Vince Bevilacqua.

Other boys who looked good to Coach Borden were Don Whaley, Gerry Alexander and Don Minick.

Intra-Mural Football

Mr. Arla DeHart has started an intra-mural football league. The games are to be played at noon on Tuesdays and Thursdays. The league consists of five six-man teams. The type of football is called razzle dazzle which is a good game to watch.

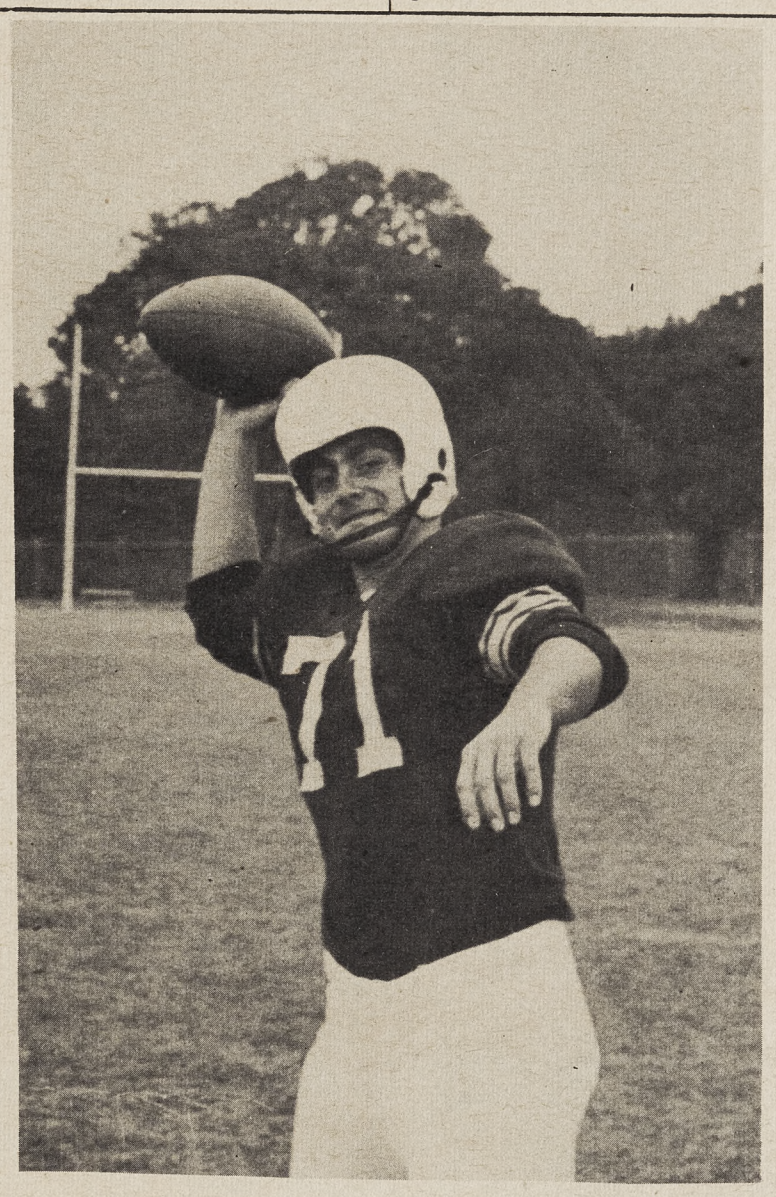

In razzle dazzle forward laterals are allowed except on kick-offs and punt returns. The ball is dead on fumbles.

Here are the league standings including games of Tuesday, October 14.

Team	Won	Lost	%
Thompsons	1	0	1000
Googins	1	1	500
Sherriffs	1	1	500
Johnsons	1	1	500
Mattesons	0	1	000

Sorry

Last Saturday night the MPC Lobos lost their first football game of the year to the Cal Poly Richard Edie converted

Colts 7-6. Richard Edie converted after Jerry Watson had plunged over the goal line from one yard out, midway in the third quarter.

Tom Enea scored his fifth touchdown of the year when he raced forty-nine yards off-tackle in the second period.

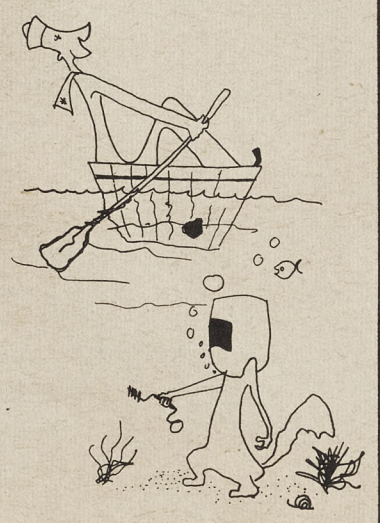

Two weeks ago the Lobos played inspired second-half ball to come from behind and hand the College of Marin a 27-19 loss.

Lobos relax in heat of San Joaquin Valley.

On Tuesdays and Thursdays during the noon hour a hockey tournament for all girls interested in playing is now under way. Four teams are competing headed by Elena O'Jea, Donna Douglas, Alys Knight, and Margaret Harris. Allene Petty, as vice president of the AWS sports group is in charge of arranging the games, making sure there are officials for each game, and seeing that this information is posted a day before each game. The first week of the tournament was devoted to practice games between the four teams. On Tuesday, Oct. 6, Donna's team played against Alys' team and it ended up a tie 0-0. Volunteer members of the AWS officiate at these games.

It took El Lobo a whole half to bore a hole in the Mariners' boat but he finally succeeded.

Beach Party

The Music Federation, one of many active clubs on the campus, held a very successful beach party Oct. 2 at the Carmel beach, with a full moon in the sky and fog covering the entire area. Dr. Marshall and Mr. Hubbard were the faculty members present. They enjoyed hot dogs, cokes and potato chips and after this they sat around and sang songs with a guitar accompaniment.

Ken Kimball, a former All-American backstroke swimming champion at MPC, was back on the campus to visit some of his old friends. He is now an Ensign in the United States Navy and is stationed on the aircraft carrier Valley Forge.

MEN!

Eligible students who intend to take the Selective Service College Qualifications Test on December 4, 1952 or April 23, 1953 should apply at once to the nearest Selective Service local board for application and a bulletin of information.

Following the instructions in the bulletin of information, the student should fill out his application and mail it immediately in the envelope provided. Applications for the December 4 test should be postmarked no later than November 1, 1952.

The results of the test will be sent to the selective service local board of jurisdiction for use in considering his deferment as a student.

Enrollment Rises

The latest figures from the registrar show that the enrollment for the first month of this semester has increased 6 per cent as compared with the figures of last year for the same time. There are approximately 693 students enrolled altogether, with 263 of of that total attending the night courses offered here.

STUDENT TOURS to EUROPE 1953

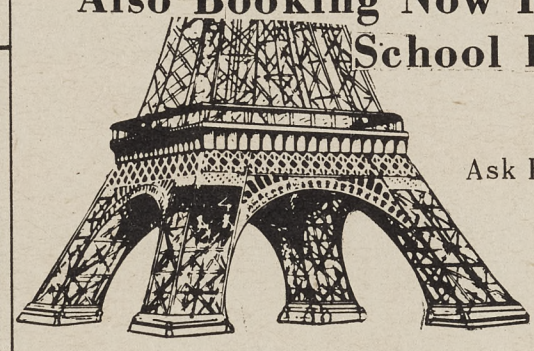

Why not organize a group of fellow students and take a budget tour to Europe in 1953? Such groups from schools all over the United States found that touring Europe was not only educational but a barrel of fun too. You'll visit all the romantic countries on the continent, and besides there is the added thrill of sailing in either of the "Queens" or the new "United States."

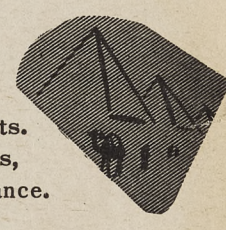

You may prefer to fly on the huge transatlantic planes of the various lines that this agency represents.
